PUBLIC PORTION

Mr. Schwartz made a motion, seconded by Mr. O'Connell to open the meeting to the public for any questions. All were in favor, the motion was approved.

Jeff Bodnar, 116 Kathleen Avenue, stated he had not been here in quite a while but came tonight with four questions. The first question was asking for an interpretation on an ordinance dealing with noise. Mr. Bodnar stated that he called the police this past summer because his neighbor behind him was playing music rather loudly. They had speakers by their pool in the back yard and the music was an annoyance. This has been going on for twenty years and he finally said that this is enough and called the police. In reading the ordinance he said the noise was bothering him and he feels he has rights too. He called the police and asked them to check and see what they thought of the situation. The officer came to his house and said there is nothing that they could do. The officer said he stood in front of their house and in front of Mr. Bodnar's house and he did not hear anything. Mr. Bodnar said to the police officer to come to the back yard and listen as this is where the issue is. The officer did not want to go to the back yard. Mr. Bodnar asked the police officer that if the sound does not go beyond the street, then it is not an issue but the noise is OK in the back yard. Mr. Bodnar did not feel that was right and said in the ordinance he specifically reads that the sound should not be more than what is in the room, in the cube or in the chamber. Mr. Bodnar interpreted the chamber to mean property line and the music should not be coming over to him. Mr. Bodnar asked since the police would not do anything then what does he do next? Mr. Bodnar said there is a lot of different music today and everyone is not happy with the music out there today. Mr. Bodnar feels that the ordinance needs to be updated to bring it up to the times and not to specify what type of music can be played but change it to say "property line". Mr. Bodnar feels that if the music is bothering him, he should be able to say that it is bothering him and something should be done. Mr. Bodnar said he did talk to the neighbor numerous

times and this has not brought about a resolution. Mr. Bodnar wants to know what he should do if and when this happens again.

Mr. Catrambone asked for the time of day that the music was being played.

Mr. Bodnar said around 2 in the afternoon.

Mr. Catrambone asked if there were any obscenities in the music and

Mr. Bodnar stated no, just regular music.

Mr. Catrambone said they will look at the ordinance and see if there is something that can be done.

Mr. Bodnar stated that the Voorhees Township ordinance states that the music cannot go past the property line.

Mr. Bodnar said his second question is concerning dogs barking. Mr. Bodnar stated that he has a new neighbor that recently got a Beagle and the dog howls. Mr. Bodnar went over to the neighbor and said he did not want to listen to their dog. Mr. Bodnar wants to know what to do about a barking dog. Again, Voorhees ordinance is very specific such as more than 5 minutes of barking is an infraction. Mr. Bodnar asks if he should call the police. He was told that he should call the police if the dog is bothering him.

Mr. Bodnar asked about a house on Swedes Run which is now a 3,000 sq. ft. house. Their taxes are \$6500 a year and his taxes are higher. The Tax Assessor told Mr. Bodnar that the house in Swedes Run with the addition does not have a CO yet. Mr. Bodnar cannot understand how they can be living in a house without a CO and paying \$6500 in taxes per year. Mr. Bodnar would like to see that when someone puts an addition on their house that at a certain point of time their taxes should reflect the addition. Mr. Bodnar wanted to know when do you charge for additions.

The Solicitor replied it comes down to "are you occupying the property".

Mr. Catrambone said that Council would do some research and come up with an answer.

Mr. Bodnar then stated there is a road issue in Swedes Run on the corner of Patricia and Diane. The house on the corner of Patricia has a sump pump that runs onto Diane Avenue; however, the water runs across Diane and freezes.

Mr. Paris stated that when that road comes up for a repair they will look into this problem.

Mr. Bodnar thanked Council and said they are doing a good job.

Bob Gilbert, 75 Stewart Avenue asked if the Township can apply for a freeze on their taxes. He asked if there is an age requirement. He was told that 65 was the age and that is a state program.

Mr. Gilbert said that when there was a flood in his area, the police officer drove up on his lawn and left some big ruts. Mr. Gilbert does not feel that any police officer has the right to drive their 4-wheel vehicle on his property and leave ruts in his yard.

Mr. Hatcher stated this was brought to the attention of the Chief.

Mr. Gilbert also stated that he already informed Councilman Schwartz concerning the telephone poles and particularly the one at the corner of River Drive and Stewart is leaning and the next one in is leaning and the pole across from 88 Stewart. Mr. Gilbert feels that one of these days they may fall.

Mr. Hatcher stated that Councilman Schwartz brought the matter to his attention and PSE&G has been contacted through the Public Works Superintendent. Mr. Hatcher stated that they will stay on top on this issue.

Mr. Gilbert wished everyone a Happy New Year and congratulations to the re-elected officials and to the new councilperson.

Mr. Schwartz made a motion to close the meeting to the public, seconded by Mrs. Kolodi. All were in favor, the motion was approved.

Mr. Schwartz made a motion, seconded by Mr. O'Connell to adjourn the meeting. All were in favor, the meeting adjourned.
