Traffic lights were out at Route 130 and Fairview and there was a section of Route 130 near the storage facility had to be closed due to a pole that appeared to be swaying. A large portion of the town was without power and branches are down throughout town. We will begin picking up branches tomorrow.

Solicitor – Mr. Platt reported that we reached out to the Michael's organization after the last work session and they were very happy to be selected to work with the Township on the Abrasive Alloy property.
