

## **Requirements to Qualify**

The requirements listed below are the minimum levels expected from the professional indicated.

### **For Planning Board Conflict Engineer**

The Planning Board conflict engineering firm shall have at least eight (8) years of experience as a municipal planning or zoning board engineer in all aspects of municipal land use law, Master Plans, storm and sanitary sewers, and related issues. The individual assigned shall have at least five (5) years experience as an appointed engineer to a planning or zoning board. Firm and individual must comply with the local pay to play ordinance.

Please explain how you or your firm meets the minimum requirements. (Attach additional sheets if necessary.)
